

Highlights and Frequently Asked Questions

E-Z Tank is best for:

- New business (submissions for renewals will generate a block notice)
- Underground Storage Tanks (USTs)
- Submissions with under 50 tanks
- Tanks that are less than 40 years old
- Tanks with 25k gallon capacity or less
- Storage tanks that are active (no temporarily closed, inactive, abandoned tanks or plans for removal)
- Facilities away from the coast (no marinas or tanks located within 1 mile from the coast)
- Commercial/Industrial businesses (no tanks at single-family homes)
- Facilities without prior contamination/LUST incidences

How to obtain an EZ Tank Quote and Binder:

1. Register as a new producer with EZ tank.
2. Fill out the portal web page with all facility and contact information available.
3. Hit submit and allow time for the confirmation window to be generated.
4. If a quote is generated, please review and consult an UW if necessary. If a quote cannot be generated an UW will reach out and assist at their earliest convenience.
5. If you are ready to bind an EZ Tank Quote, please send the bind order and all requested subjectivities to tank@axonu.com

Frequently Asked Questions:

1. The location I am searching for is not returning any results:
 - This is due to the storage tanks and/or facility not being registered with the EPA and state databases. Please send an email to tank@axonu.com and an Underwriter will assist you.
2. How long do I have to wait before receiving a quote email?
 - Assuming enough information can be found a quote should be generated within 5-10 minutes of receiving confirmation the submission was successful.
3. My submission does not fit the criteria listed above:
 - Please send the submission to tank@axonu.com and an Underwriter will be happy to assist you further.
